A search engine of interoperable digitized manuscripts and rare books

The IIF Collections of Manuscripts & Rare Books platform allows to search for digitized manuscripts and early printed materials across many digital libraries compatible with IIF standards.

It offers a search interface that is easy to use and gives results as relevant and complete as possible thanks to reconciled metadata between the different datasets.

[Go to IIF Collections](#)

Select the institution and then find the manuscript: the manifest will appear at the bottom of the page.

2. Alamire Foundation

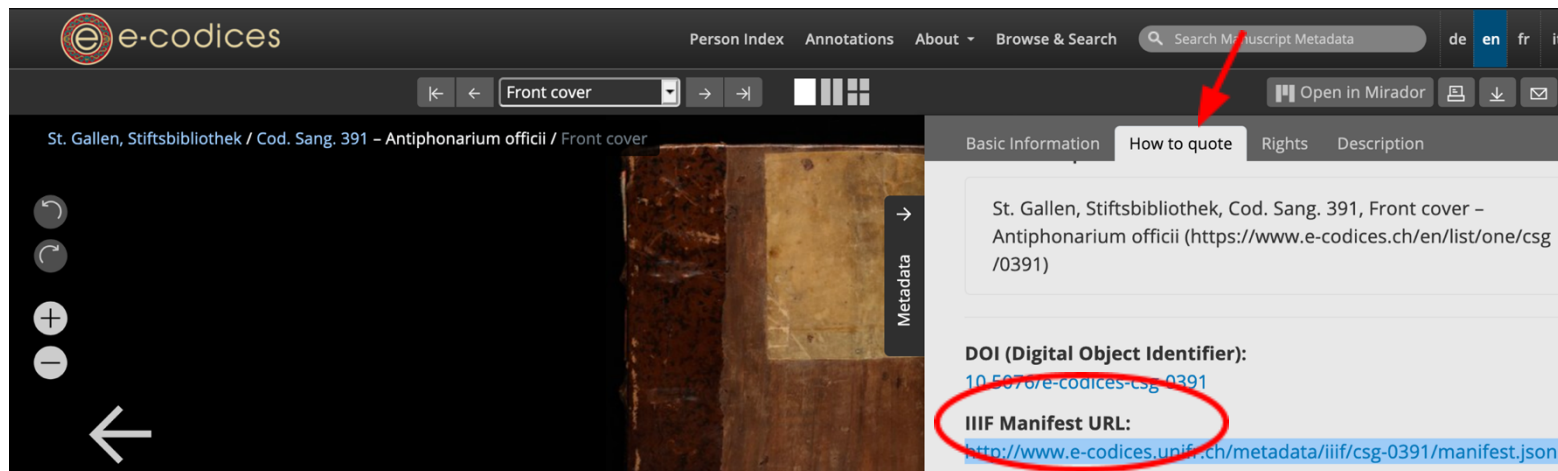

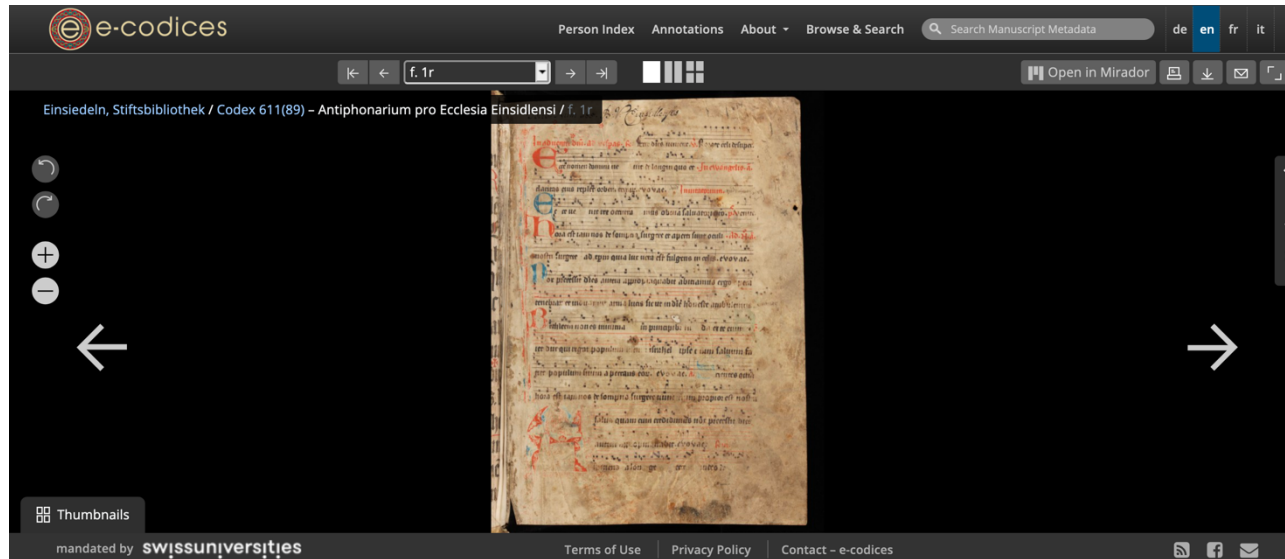

The manifest is immediately available in the information window, which can be opened by clicking on the corresponding icon on the top right corner of the page.

The screenshot displays a digital manuscript viewer interface. At the top, the 'Teneo' logo is on the left, and navigation options like 'Help', 'Bookmark', 'Change Layout', and 'Full Screen' are on the right. A red arrow points to the 'Full Screen' icon. Below the header, the manuscript title 'Dendermonde - Sint-Pieters- en Paulusabdij - ms. 9' is shown. The main content area features a dark image of a manuscript cover on the left and a light gray information panel on the right. The information panel includes the Alamire Foundation logo, a 'LICENSE:' section with a link to 'https://idemdatabase.org/terms', a 'LOGO:' section, a 'LINKS:' section, and a 'SEE ALSO:' section with a link to 'https://idemdatabase.org/'. The 'IIIF MANIFEST:' section contains a link to 'https://lib.is/IE9129581/manifest' and a 'COPY LINK' button, both of which are circled in red. At the bottom of the information panel, there is a 'DRAG AND DROP TO OPEN IN OTHER IIIF VIEWER:' section with the IIIF logo.

3. e-Codices

Open the Metadata flap on the right. The manifest is found under the heading "How to quote."

4. Gallica

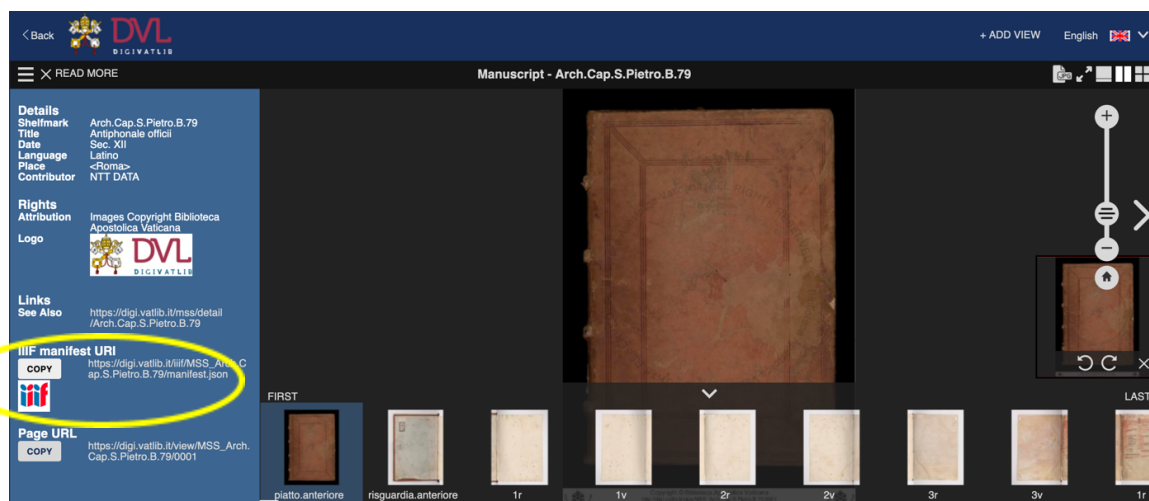

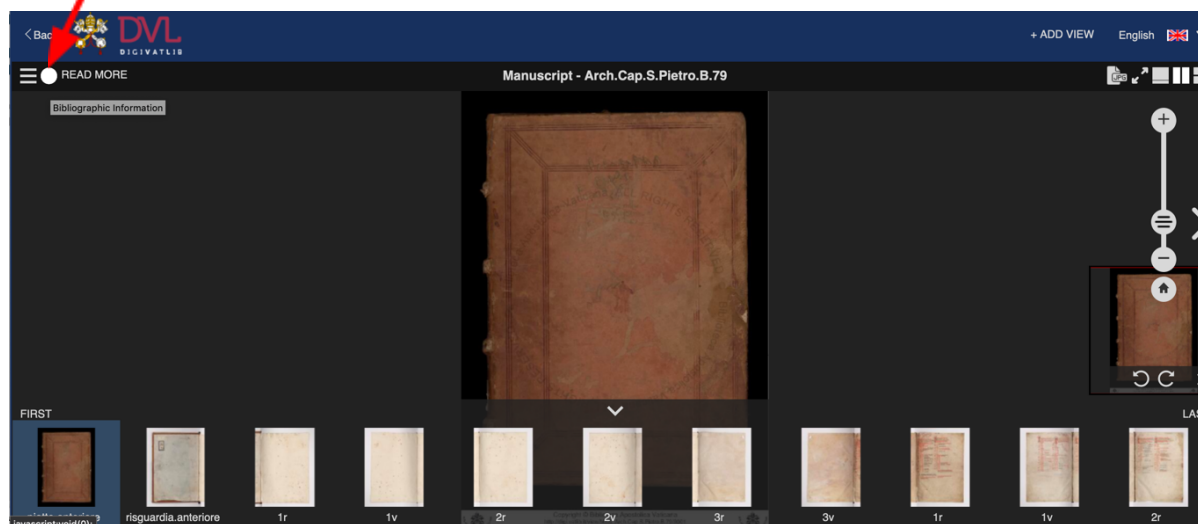

Click on the IIIF icon on the left to open the viewer. The manifest will appear clicking on the icon of “Show information / Metadata” on the top right corner of the page.

The screenshot shows the Gallica website interface. The header includes the BnF Gallica logo, a search bar with the text 'Ricerca...', and navigation icons for home, search, and language (IT). The main content area features a large image of a red leather book cover. On the left, there is a sidebar with a 'SINTESI' section containing the BnF Archives et Manuscrits logo (circled in yellow) and a 'Soggetti correlati' section with links like 'Labyrinthe', 'Notation musicale a...', 'Reliures aux armes...', and 'Vers anonymes'. On the right side of the book image, there is a vertical toolbar with icons for share, print, star, cart, warning, and help. A red arrow points to the help icon in the top right corner of the page.

The screenshot shows the 'Mostra informazioni / metadati' page for 'BnF. Département des Manuscrits. Latin 12044'. The page displays metadata for the manuscript. The 'DIRITTI:' section includes 'LICENZA: https://gallica.bnf.fr/html/und/conditions-dutilisation-des-contenus-de-gallica' and 'ASSEGNAZIONE: Bibliothèque nationale de France'. The 'LOGO:' section shows the BnF logo. The 'COLLEGAMENTI:' section includes 'RISORSE CORRELATE: https://gallica.bnf.fr/ark:/12148/btv1b6000531z', 'VEDERE ANCHE: http://oai.bnf.fr/oai2/OAIHandler?verb=GetRecord&metadataPrefix=oai_dc&identifier=oai:bnf.fr:gallica/ark:/12148/btv1b6000531z', and 'MANIFEST IIIF: https://gallica.bnf.fr/iiif/ark:/12148/btv1b6000531z/manifest.json'. The 'MANIFEST IIIF:' link is circled in red. The page also features a 'Mostra informazioni / metadati' button in the top right corner and a 'Ritorno' button in the bottom left corner.

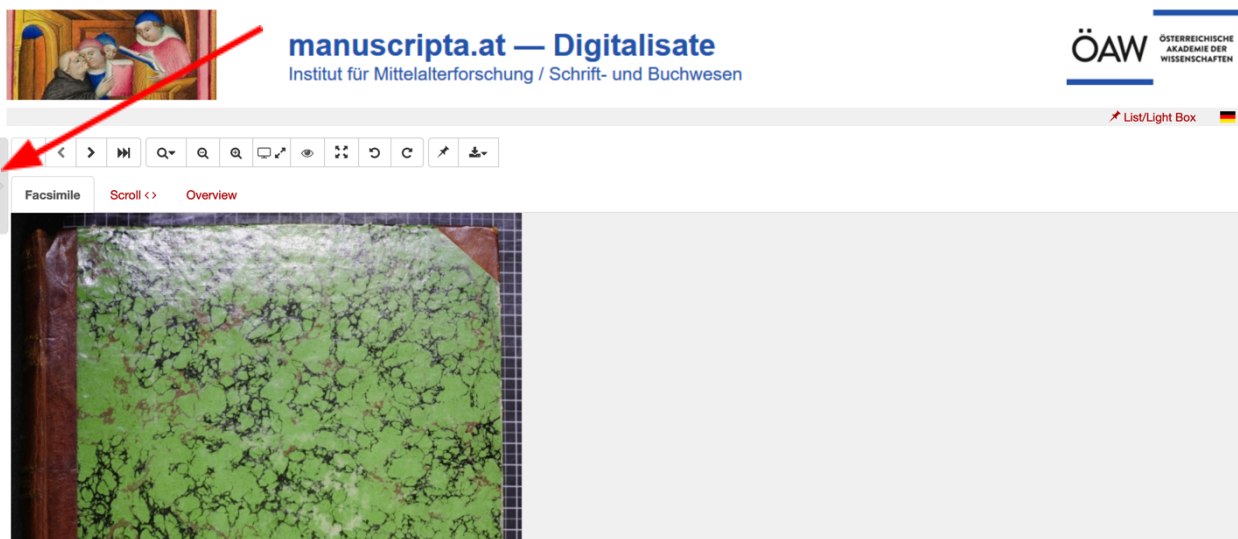

5. Vatican Library

Search the Vatican Digital Library for the manuscript you want. Once you've found one, download the IIF manifest (click the "Bibliographic Information" button on the far left, which opens a menu, then click on the IIF manifest link).

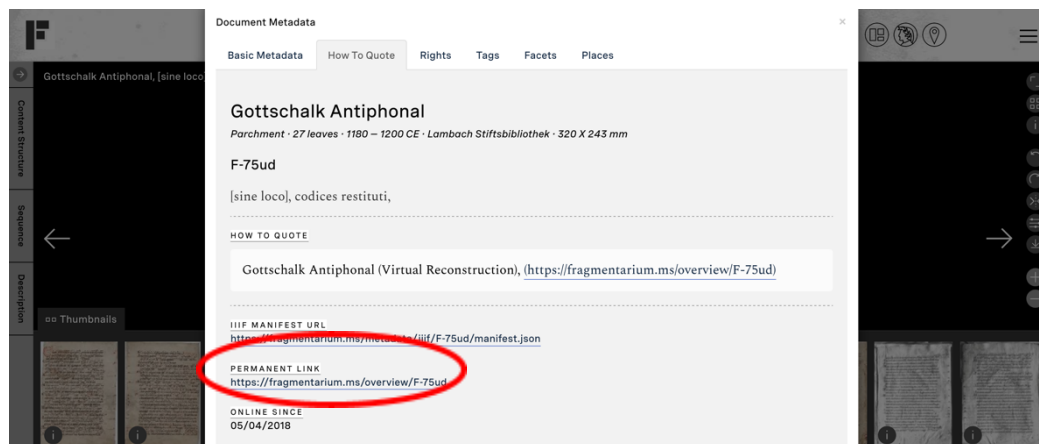

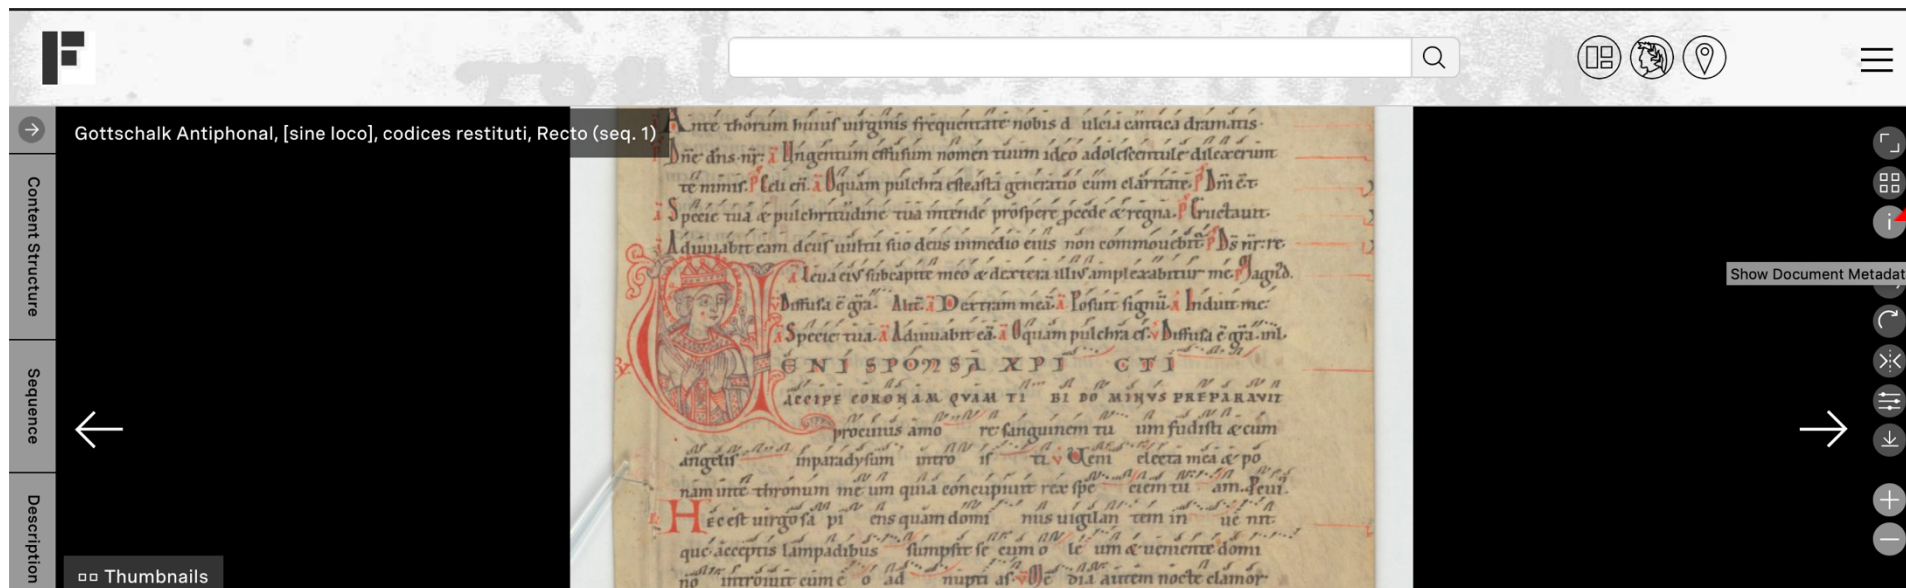

6. Manuscripta

The manifest will appear by opening the small flap on the left of the page:

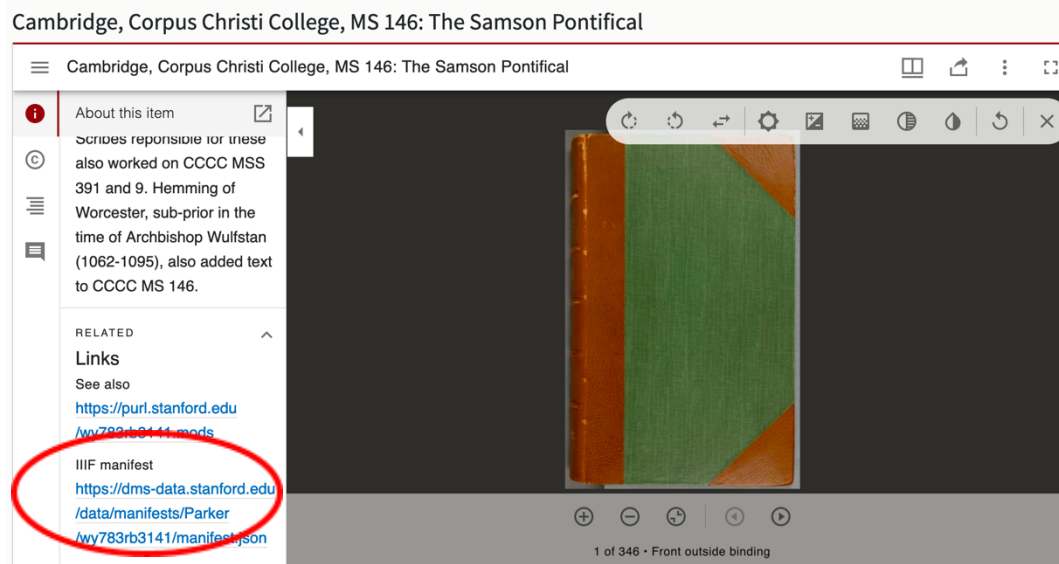

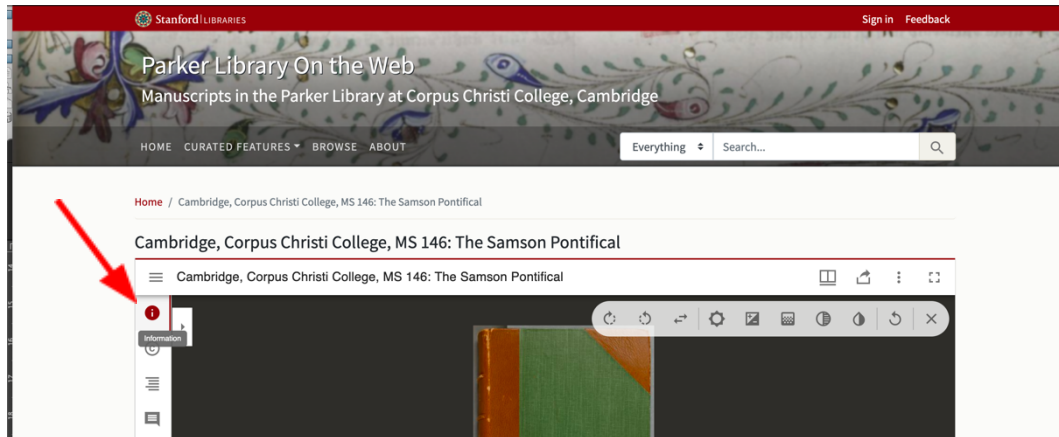

7. Fragmentarium

Click on the “Show Document Metadata” icon on the right. The manifest appears under the heading “How to quote.”

8. Parker Library On the Web (Stanford Libraries)

Click on the information icon and scroll down: the manifest is at the bottom of the window.

9. Archive.org
